

Renters Insurance

Protect yourself and your belongings.

Gain the security and peace of mind that comes from knowing you're protected by QBE's renters insurance.

A small price to pay for protection

Your belongings are important to you. Protect them from fire, severe weather, carelessness of others or other circumstances with QBE's renters insurance. Regardless of whether you rent or own, insurance protects you and your belongings. Although your apartment owner is responsible for damage to the building, replacing your possessions is your responsibility.

In addition to your belongings, renters insurance can reduce or eliminate additional accident-related costs. For example, if a guest is injured in your apartment and needs medical attention, you may be liable.

Protect your personal property against:

- Fire or lightning
- Windstorm or hail
- Smoke damage
- Glass breakage
- Vandalism and malicious mischief
- Theft
- Weight of ice, snow or sleet
- Falling objects or trees
- Water damage due to rupture or overflow of household appliances or plumbing, heating or cooling systems

- Freezing of plumbing
- Pet damage
- Bed bugs
- Electronics damage
- Water/sewer backup
